

Company Profile:

Prescott Animal Hospital (PAH) is Prescott's first veterinary hospital. Over seventy years later, we're proud to say that the doctor's and staff of PAH remain dedicated to providing advanced veterinary medical care for a wide variety of animals. We are not only a member of the American Veterinary Medical Association and American Animal Hospital Association Prescott Animal Hospital, but we have won AZVMA Team of the Year, AAHA Practice of the Year and DMV 360 Hospital Design of the Year.

Through our attention to detail, passion for continuing education and our commitment to compassion, we have established a multigenerational clientele. Services offered consist of routine veterinary care, routine surgery, orthopedic surgery, physical therapy, acupuncture, ultrasound, radiology, dentistry and in house laboratory. Our high standard of care is accomplished by a support staff of approximately 80 people, including 6 certified technicians. As we begin our seventh decade, we continue to increase the size of our staff along with the scope of services to meet the expanding needs of our clients and patients.

Description:

Full time veterinarian to integrate into our progressive 10 doctor, AAHA accredited hospital. Primary practice will be in companion animal preventative, medical and urgent care. Emergency calls split equally. PAH is equipped with digital radiology, ultrasound, endoscopy, dental suite complete with radiology, laser surgery, in-house laboratory, in-house and online pharmacy. Our well established practice offers a loyal clientele, high case volume, and a professional, well educated support staff.

Requirements:

Integrity and first-class people skills are essential. Foundation of good surgical skills expected; opportunity for technique advancement provided. Veterinarians must attend and participate in staff meetings and training, thus improving the overall performance of our practice. Effective communication with support staff as well as proper education and communication with clients is necessary. Team oriented, fresh ideas and a driving passion for veterinary medicine essential. Salary DOE; insurance, dues, vacation, CE package offered.
